

**8(a) STARS II
Notice of Selections
Solicitation Number QTA609MCA0010**

This is a written announcement to all interested parties. While announcement of contract awards is not required for 8(a) procurements per FAR 5.303(a)(1), GSA would like to share the good news about contract selections under 8(a) STARS II Governmentwide Acquisition Contract (GWAC).

After review and evaluation in accordance with the criteria established in the solicitation, GSA has determined to make contract award to 599 offerors. All of those offerors have been sent individual award notices on Friday July 29, 2011.

The 599 organizations selected are deemed to have submitted the most highly qualified offers. While the list below represents the majority of the awardees, it does not identify all 599. There are approximately 30 organizations which received conditional awards, which depend upon additional Small Business Administration input on matters of responsibility or, in a small numbers of cases, on matters of 8(a) eligibility (these are not matters where 8(a) eligibility is being reconsidered). GSA plans to update the selection list once a month to identify when and if any of conditional awards have been cleared/made non conditional.

Federal customers and potential customers interested in 8(a) STARS II should refer to www.gsa.gov/8astars2 for more information about when the GWAC will be ready for use. Notice to proceed for all cleared/non conditional awards is expected later this August, 2011.

Written correspondence may be sent to the contracting officer at:

E-mail: s2@gsa.gov
Facsimile: 816-823-1608

Mail: Misty J. Claypole
General Services Administration
GWAC Contracts Branch (QTACC)
1500 E. Bannister Rd.
Kansas City, MO 64131

GSA appreciates the robust competition for 8(a) STARS II, its 3rd generation 8(a) GWAC. Information on STARS II's features and benefits, and on how federal contracting officers can obtain a delegation of procurement authority (DPA) plus how to request scope compatibility review for potential task order work statements is available from the 8(a) STARS II website, www.gsa.gov/8astars2.

Misty J. Claypole
Contracting Officer
